Award Presentation

The Articles for This Month

August 6

WA5DJJ (center with award) presents the first place award which the club won in the NM QSO Party. Also standing are various club members which played an important part in this effort.

NM QSO Party

Note from WA5DDJ about the award which N5BL received.

To the Group that worked so hard this spring in the NM QSO PARTY   the

I received the plaque which is presented to the club from Brian earlier.

Those who are standing here are being recognizrd for

for the hard work you did during the Contest. We won that one with a

good score in spite of the Geomagnetic field issues we ran into during

the operation.   You all did a really great job.

Participants can get a certificate at the following URL

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
